

FESTIVAL CAMPING INFORMATION

Festival camping is located in the Telluride Town Park Campground, adjacent to the festival grounds. Campsites are first-come, first-serve. You cannot reserve a specific site. Please note that festival camping is more of a social experience than a wilderness experience. Expect camping to be clustered close together. A campground host is on duty to help you find an available campsite and to answer any camping questions.

Camping passes are sold per person and per vehicle - not per site.

Camping passes are valid for four nights, Thursday thru Sunday of the festival. The campground opens to campground pass holders at 8AM on Thursday. Campground pass holders must load out by 11:00AM on Monday. You may camp in the campground before Thursday, but you will be paying the town's campground fee – in most cases you will not have to move your campsite on Thursday.

The campground is open 24 hours a day. You may arrive and set up camp 24 hours a day.

Single day camping passes are not available. You may camp one day - however, the cost is still the price of four days.

Children 11 and under are free. Children must be accompanied by an adult.

ONLY FESTIVAL PASSHOLDERS MAY PURCHASE CAMPING PASSES.

In other words, you cannot camp in the campground unless you are attending the festival. You must have both a camping pass and festival pass to enter the campground during the festival.

Restroom and shower facilities are available in the campground (flushing toilets and all). Cold showers are free - there is a charge for hot showers, so bring lots of quarters.

Bags of ice are available for purchase in the campground.

CAMPGROUND RULES:

- No campfires are allowed in the campground. You may use the charcoal grills that are in place at the campsites (for grilling only – no open flames). Propane grills are allowed.
- No pets are allowed in the campground.
- QUIET HOURS: 2AM – 8AM. During this time, we ask that all campers respect others and refrain from playing music, loud talking, loud partying, setting off fireworks, etc.

Part of the festival campground includes Warner Field (a baseball field within Town Park). If you are camping in Warner Field, please note that a few additional rules apply:

- Charcoal grills are not allowed.
- Metal pans must be used under propane stoves and grills to protect grass.
- Tent stakes longer than 6" are prohibited to protect irrigation systems.
- No vehicles are allowed on the field.
- No glass allowed.

You must purchase a vehicle or RV pass to park your vehicle in the campground.

Campground Vehicle and Campground RV passes are very limited and typically sell out the first day tickets go on sale. If there are two of you and you want to have your vehicle in the campground with you, you must purchase two camping passes and one vehicle pass in addition to your festival passes. Coonskin RV Passes includes access to main campground showers. Vehicles 18 feet and over are considered to be an RV - please note that a RV may not be longer than 30 feet. A vehicle is considered anything requiring a license plate (cars, trucks, vans, motorcycles, pull-behind campers, etc.)

Please note that there are no RV hook-ups provided in the campground. The RVs must be self-contained. There is a dump station located at the west end of town in the Coonskin Parking Lot. There is no place in Telluride to fill your RV with water. Restrooms and showers are available in the campground.

Any vehicle or RV in the campground must remain parked during your entire stay. If you leave with your vehicle or RV you will not be allowed to re-enter the campground.

If you do not purchase a vehicle or RV pass you will be allowed to drive in for one half-hour and drop off your camping gear in the campground. You will then be directed to park your vehicle or RV in a designated parking lot off-site.

Bring your bicycles for an easy way of getting around town.
